Friday announcement:

With it being the start of December and the beginning of advent, Christmas is on our minds. Let's remember that Christmas is about celebrating the birth of Jesus and that as Christians, it is a great time to be more like Him. Ms. Pantaleo and the Grade One students will be doing a December Food Drive and need your help!

This year we are calling it the **“twelve days of giving”**. We are challenging everyone in our MLE family to bring one item every day for 12 days, starting on Monday! Each day will be a specific item so we can make sure that we have a great variety. There might be prizes involved for classes that have items every day...

This Monday, for the first Day of Giving, please bring a package of pasta noodles.

Thank you in advance for all of your contributions!

(Mrs. Jackson's best singing voice)

*On the first day of giving the kids gave to the community...
a package of pasta noodles.*
